

ONE CARIBBEAN MEDIA LIMITED

CONSOLIDATED UNAUDITED RESULTS FOR FINANCIAL PERIOD ENDED JUNE 30TH, 2025

CHAIRMAN'S STATEMENT

The Group had a good second quarter with Revenues of TT\$76.8M (US\$11.3M) which were 4% above prior year while Net Profit Before Tax and Share of Profit of TT\$8.1M (US\$1.2M) was 60% ahead of last year. At the end of the first half, Net Profit Before Tax and Share of Profit of TT\$12.1M (US\$1.8M) was 26% ahead of last year.

The Trinidad media benefitted from the Trinidad and Tobago General Elections held in April 2025 which generated a demand for political advertising and public interest content, especially across our broadcast media divisions.

The first half of 2025 was impacted by continued economic conditions in Trinidad and Tobago, resulting in subdued consumer spending and a cautious advertising market. These pressures have been particularly pronounced in the traditional media segment, where we have experienced a steep decline in advertising in the second quarter.

Our media assets, particularly the radio segment, and real estate investments in Barbados, showed profitability growth attributable to both improved revenues and cost reduction strategies implemented last year.

In line with our long-term diversification strategy, we grew our investments in non-media businesses, which now form an increasingly important pillar of the

Group. These investments in Information Communications Technology, Manufacturing and Real Estate have delivered growth and returns. Our Packaging Plant successfully commissioned Bag-forming equipment expanding its product offerings.

While the Barbados and Grenada economies have been stable, the Trinidad and Tobago market is likely to remain uncertain in the second half of the year. We are however confident in our strategy, our people, and our ability to innovate in the face of these challenges.

The Board extends its sincere thanks to our employees for their dedication and to our customers, commercial partners and shareholders for their continued support. We remain committed to delivering long-term value, maintaining resilience in a dynamic environment, and positioning the Group for future growth.
